In addition to the weather information from the selected provider by the OA, Skippers will be allowed to acquire meteorological data under the following conditions:

- If it is free and freely accessible
- For data accessible from a paying site, if authorized in the supplier list given below

Access to this digital or graphic information will only be authorised if the information comes from an official governmental meteorological agency or a private weather company, be it directly or indirectly: Squid, Predictwind, Sailgrib, Weather 4D, Windy, Saildocs, Tidetech, Adrena, Expedition, Gradient, Meteo Consult, Dorado.

For these weather and routing providers, it is strictly forbidden to share the same account (username and password) between the skipper and anyone ashore. The account used by the skipper can only be accessed from the boat.

The web routing providers must be able to provide Race Management with the account usage history at any time.

Any request to extend the list of authorised platforms must reach RM before 29th October 2024 at 12:00 midday. RM reserves the right to prohibit a Skipper from accessing data that it deems to contravene the letter or spirit of the rules applicable to the race.

The Skippers can then acquire:

- images from observation satellites;
- observation and forecast charts;

Nevertheless, this data may be compressed to accelerate access.

At the request of Race Management, each Skipper shall provide the meteorological sources which he/she will be using, together with the access codes and the software enabling the information to be read and exploited. Skippers will also have to give a full demonstration of the use of this data.

6.4.3 Daily rankings during the race

The **OA** will send Skippers versions zero and number one (0 and 1) of the geographic coordinates of the 72 points comprising the AEZ on the dates set out in article 10-Programme.

During the race and depending on ice monitoring studies, these points may be modified by amendment to the SI.

The **OA** will indicate how these points are modified during the race.

Applicable penalties for non-compliance with the AEZ will be set out in the SI.

6.4.5 Monitoring the race fleet

Race Management will ensure that the whole of the fleet is monitored 24 hours a day, 7 days a week.

Exceptional circumstances

In exceptional circumstances, and in situations that might involve the Skippers' safety (meteorological conditions, international conflict, etc.), RM may have to issue specific directives.

A request for re-routing issued by RM will be dealt with in accordance with the COLREGs rules.

In the event of a Skipper requiring assistance, or if a boat is in danger, RM may provide routing for a Skipper or a group of Skippers in order for them to reach the Skipper requesting assistance or the boat in danger as soon as possible.

These new directives will be issued in order to deal with the conditions encountered in the best possible way. Thus, they may modify one or more articles of this NOR, of the SI or of other applicable rules referred to above. In such cases, they will be the subject of a detailed report submitted to the Jury by RM.

9.1 Qualification

In order to be registered, participants must have a qualification that has been approved by the **OA**.

To be qualified, each Skipper-boat pair of the VG 2024 shall have taken the start of at least two solo races (including one in 2022 or 2023 AND one in 2024) AND have finished with a ranking in at least one of these two races. The races concerned are the following:

- Vendée Arctique, 12th June 2022
- Route du Rhum – Destination Guadeloupe 2022
- Return race of the Transat Jacques Vabre 2023*
- The Transat CIC 2024
- New-York – Vendée Les Sables 2024
- Or any other solo ocean race in the Globe Series Championship incorporated by amendment to the present NOR.

In addition, the Skipper will confirm his/her qualification if his/her racing time is shorter or equal to the winner's racing time plus 50%.

In the event that a skipper does not validate his/her qualification, the miles sailed on the great circle course will be used for the selection phase.

***Derogation: In the event of major damage occurring during the Transat Jacques Vabre 2023 making it impossible for the pair to enter the return race of the Transat Jacques Vabre 2023, the OA may grant a derogation and accept that the start of the Transat Jacques Vabre 2023 substitute for the start of the return race.**

9.2 Selection

If more than 39 Skippers meet registration requirements, according to the OA's terms, a selection will be made in the way described below.

Furthermore, the OA reserves the right to select 1 wild card in addition to these 39.

9.2.1 General rule

The Skippers having sailed the greatest number of nautical miles on the following IMOCA Globe Series Championship selective races will be selected:

- Transat Jacques Vabre 2021 double-handed
- Vendée Arctique 2022 solo
- Route du Rhum – Destination Guadeloupe 2020 solo
- The Ocean Race 2022 crewed
- Bermudes 1000 Race 2022 solo
- Défi Azimut – Lorient Agglomération 2022 solo
- Rolex Fastnet Race 2023 double-handed
- Défi Azimut – Lorient Agglomération 2023 double-handed
- Transat Jacques Vabre 2023 double-handed
- Return race of the Transat Jacques Vabre 2023 solo
- The Transat CIC 2024 solo
- New-York – Vendée Les Sables 2024 solo

Distances will be selected on the great circle and according to the following scale:

- solo races: 1 nautical mile = 1 mile
- double-handed races: 1 nautical mile = ½ mile

- crewed races: 1 nautical mile raced on a leg = 1/4 mile, with a maximum total of 5,000 miles

EXCEPTION for the last selective race for the Vendée Globe:

- New-York – Vendée Les Sables 2024 : 1 nautical mile = 1.5 miles.

In the event of a Skipper's retirement or of a change in the route of one of these races, the nautical miles sailed on the great circle will be retained.

The number of miles sailed will be calculated by the SAEM Vendée's RM.

A table logging the number of miles sailed by each Skipper will be displayed online and updated regularly on the **OA's** Official Noticeboard.

In a situation where the skippers have an identical number of nautical miles sailed, they will be differentiated by the ranking of points in the Globe Series Championship after the New York – Vendée Les Sables race. In this case, the skippers with the highest number of points will be selected.

9.2.2 Rules of exception to the selection rule

Two situations may have a derogation to the general selection rule:

- The wild card at the **OA's** discretion.
- The first thirteen new boats to take the start of a qualifying race in accordance with the conditions laid down in article 9.1 of the NOR.

If the quota of 13 new boats is exceeded at the start of a qualifying race, the skippers will be distinguished by their ranking in this race.

9.3 Waiting list

A Skipper who is registered but who has not been selected to be one of the 39 starters may go onto a waiting list. The order of registration on the waiting list will be determined according to the selection rules. Only the withdrawal of a Skipper who has been selected will vacate the place of the 1st Skipper on the waiting list, and so on.

The deposit of EUR 20,000 excluding taxes, less any penalties incurred, together with the entry fee, will be reimbursed to Skippers on the waiting list who do not take the start of the race for lack of a place becoming vacant.

The certificate of insurance will be attached to the administrative file (cf Art. 8.2.2).

In the event of his/her having taken out individual insurance cover, the certificate of insurance will be attached to the Administrative File (article 8.2.2).

20 LIABILITIES

20.1 Organising Authority

The **OA**'s third-party liability is set out within the framework of France's legal provisions, the [French] Code of Sport (amended order of 3rd May 1995 regarding nautical events at sea) pursuant to the applicable international conventions. Being specified that:

The liability of the **OA** and its partners shall be limited to the sporting probity of the race. Any other liability accepted by the **OA** can only be contractual in nature and express. In particular:

- any verification that the **OA** of the race may undertake, upon its own initiative, or upon the request of the International Jury or that of any other authority, shall be undertaken with the sole aim of ensuring that the rules, the SI and their amendments have been complied with. Any monitoring that the **OA** might carry out, shall be considered by the Skippers as optional and random, and shall in no event be considered as an additional safety feature upon which they may rely;
- no request submitted to a member of the **OA** will give rise to any civil liability, unless such liability has been accepted, either by him/her, or by one of his/her representatives, officially accredited for that purpose. This will be the case with regard to various requests for assistance, even for assistance at sea.

The **OA** shall not be held liable to the Skippers taking part in the race or otherwise for any loss, damage or costs, actual or supposed, resulting from a case of force majeure, including (non-exhaustive list) any natural disaster, war, military intervention, accident, breakdown of equipment, riot, abnormally heavy weather, earthquake, tidal wave, fire, flood, hurricane, tornado, volcanic eruptions, drought, explosion, lightning, management strike or social conflict, as well as any forgotten or refused permit on the part of the government, national or international sailing authorities, administrations of France's *Ponts et Chaussées*, communications or delay in the supply, manufacture, production or delivery on the part of third parties, of information, goods or services.

The **OA** of the race shall be under no obligation to organise rescue operations, ashore or at sea. Skippers are reminded that they are under the obligation to assist another boat of skippers in distress (RRS Fundamental Rule 1.1) as far as possible, rescue and assistance at sea being governed by international conventions.

The **OA** shall retain control and priority management over communication of facts arising from any incidents or accidents occurring onboard the boats and during the race.

20.2 Participant

The decision by a boat to take part in a race or to remain in it is its sole responsibility (RRS 3 "Decision to race").

Whatever the legal relationship between the supplier of the boat, the boat owner and the Skipper, the Skipper officially indicated on the registration form shall be the sole party with any responsibility towards the OA.

Owners, suppliers of the boat or captains shall each have individual responsibility for any damage to equipment and for any personal injury that may occur to themselves, to the boats or that they might cause to any third parties or to any third-party property. They must take out all necessary insurance cover, be it for personal injury, loss, damage, etc.

A fundamental term of his/her participation shall be that the supplier and/or owner of the boat and the Skipper shall lodge with the OA, a letter of undertaking the waiver of liability clause, duly signed, from any claim against the OA, its representatives and agents, as well as insurers. The OA shall not be held liable for the slightest indirect loss, actual or alleged, for whatever reason, suffered by any party, Skipper, supplier of the boat, sponsor or other, and this total absence of liability shall not be limited to the loss of profit alone, of opportunity, of business, of advertising, of reputation (or the occasion to improve one's reputation) or any financial loss whatsoever.

20.3 Disputes

As this is a race, any sailing dispute will be judged in accordance with the RRS. Lodging an undertaking implies that the Skipper and his/her beneficiaries waive the possibility of having recourse to any jurisdiction other than sailing authorities to settle disputes relating to sailing. No claim for damages will be founded (RRS Fundamental Rule N°3). Therefore, the OA shall accept no liability for implied breach of contract under common law, whether in writing or otherwise, nor for negligence, and shall not be held liable for any loss or personal injury, (whatever the cause or the occasion), breach of duty, deformation, etc.
